

Bosnia and Herzegovina assembled outdoor power supply

Overview

What type of plugs does Bosnia & Herzegovina use?

Bosnia and Herzegovina uses power outlets and plugs of types C & F. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Type C - The standard European plug.

How is energy used in Bosnia and Herzegovina?

Total energy supply (TES) includes all the energy produced in or imported to a country, minus that which is exported or stored. It represents all the energy required to supply end users in the country.

Do I need a travel adapter in Bosnia & Herzegovina?

The electrical outlets and power plugs in Bosnia and Herzegovina are of types C & F (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

Are there electrical outlets in Bosnia and Herzegovina?

No, the electrical outlets in Bosnia and Herzegovina are different from those in the United States. In Bosnia and Herzegovina electrical outlets of types C & F are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Bosnia and Herzegovina?

.

What is the standard power socket voltage in Bosnia and Herzegovina?

All power sockets in Bosnia and Herzegovina provide a standard voltage of

230V with a standard frequency of 50Hz. You can use all your equipment in Bosnia and Herzegovina if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Can I use a charger in Bosnia and Herzegovina?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Bosnia and Herzegovina outlet. Bosnia and Herzegovina uses electrical outlets and power plugs of types C & F (see images).
