

Brunei New Energy Photovoltaic Solar Panels

Overview

The project, which is to be located at Belimbing near Bandar Seri Begawan, will be a crucial step in the country's renewable energy initiative. It will be a mega government-led solar project and the first large-scale solar effort under a public-private partnership.

Brunei New Energy Photovoltaic Solar Panels

[Brunei to Build 30MW Solar Power Plant in Landmark Renewable Energy](#)

Once operational, the facility will become the largest solar power installation in Brunei and the first to be developed under a public-private partnership model. According to ...
