

Building micro wind power generation system

Overview

If you're like me, who can't stand the noise of a generator and the stench of gas, consider a wind generator. We have solar panels installed at home, but for an alternative energy source, a DIY wind turbine can come in handy.

`<span data-mce-type="bookmark" style="display: inline-block; width: 0px; overflow: hidden; line-height: 0;" class="mce_SELRES_start"></span>` A homesteader.

`<span data-mce-type="bookmark" style="display: inline-block; width: 0px; overflow: hidden; line-height: 0;" class="mce_SELRES_start"></span>` This good old.

`<span data-mce-type="bookmark" style="display: inline-block; width: 0px; overflow: hidden; line-height: 0;" class="mce_SELRES_start"></span>` A large-scale.

`<span data-mce-type="bookmark" style="display: inline-block; width: 0px; overflow: hidden; line-height: 0;" class="mce_SELRES_start"></span>` A simple.
