

Communication with the base station after shutdown

Communication with the base station after shutdown

[Base stations don't power off if computer is shut down without](#)

I've seen people using TaskKill to kill the various VR processes, but in my experience, it does not properly shut down the base stations configured to do so. It's more useful when needing to ...

[Flying Base station for Temporary Mobile Communications in an ...](#)

To address this situation, base stations on an airborne vehicle such as a helicopter, a drone or a balloon are viable alternatives. In this paper, our approach to having base stations on an ...

[i7 and clean base communication problem SOLVED!! : r/roomba](#)

However, after 2 days it already has connection problems, it charges but doesn't allow me to empty the bin. What could be the issue here, how does it sense the station? I put Velcro tape ...

[Wake up base stations.. where's the option in steam vr??? : ...](#)

Wake up base stations.. where's the option in steam vr??? I don't see this option any more in the VR menu for SteamVR Is it somewhere or

was it removed? I'm having to turn VR off and ...
