

Energy Storage Battery Production Value Ranking

Overview

What are the top 10 battery manufacturers in 2024?

Among the top 10 global battery manufacturers (power + energy storage) in 2024, six are Chinese companies: CATL, BYD, EVE Energy, CALB, Gotion High-Tech, and Sunwoda. Three South Korean companies—LG Energy Solution, Samsung SDI, and SK On—along with Japan's Panasonic also made the list.

Part 1. Breakdown of the Top 10 Battery Shipments in 2024.

Which Chinese energy storage battery companies performed well?

Chinese energy storage battery companies performed exceptionally well, achieving record-breaking global shipments. CATL maintained its leading position for consecutive years, while other companies such as EVE Energy, HiTHIUM, BYD, and AESC followed closely. TOP 1 CATL.

How big is the global battery market?

As the demand for EVs, renewable energy storage, and portable electronics continues to increase, the race to produce efficient, high-capacity batteries becomes more intense. The global battery market is projected to reach \$329.8 billion by 2030, growing at a CAGR of 15.8%.

What is the EV battery market dynamic?

A notable market dynamic is the strategic diversification of EV battery manufacturers into grid storage powerhouses. Companies such as CATL, LG Energy Solution, Panasonic, Samsung SDI, and BYD are primarily recognized for their dominance in the Electric Vehicle (EV) battery market.

Which Chinese energy storage manufacturers are the best for 2023?

In a highly anticipated release, Black Hawk PV has disclosed the top ten rankings of Chinese energy storage manufacturers for 2023. Leading the pack is CATL with an impressive 38.50% market share and a robust shipment volume of 50 GWh.

Are energy storage battery cells growing?

According to SMM statistics, global shipments of energy storage battery cells saw significant year-on-year growth, reaching 334 GWh for the year. Among these, lithium iron phosphate (LFP) energy storage battery cells accounted for 317 GWh.

Energy Storage Battery Production Value Ranking

[2025 Grid Energy Storage Battery Factory Rankings: Top Players ...](#)

With renewable energy adoption skyrocketing, grid energy storage battery factories have become the unsung heroes of the clean energy revolution. Let's crack open the latest factory rankings ...
