

German home 10kw inverter

Overview

What is a goodwe gw10000-es-c10 hybrid inverter?

The Goodwe GW10000-ES-C10 hybrid inverter is ideal for use in single-phase installations with storage batteries as it can manage the energy from solar panels, the electrical grid, and the battery.

What is a goodwe es UNIQ hybrid inverter?

New Goodwe ES Uniq series of hybrid inverters. The GW10000-ES-C10 inverter is ideal for residential installations with energy storage. It ensures reliable performance during peak usage thanks to its overload capacity. It has expansion capacity for up to 16 inverters in parallel for both on-grid and off-grid operations.

Why should you choose goodwe es UNIQ series Inverters?

The new Goodwe ES Uniq Series of inverters is characterized by excellent safety and reliability. Thanks to the optional AFCI circuit breaker technology that detects any possible fire risk and the IP65 ingress protection that ensures performance in various environmental conditions.
