Is there a power cabinet inside the base station

[Why don't base stations come with built-in power supplies? : r](#)

Okay, I get that mobile rigs are meant for automobile use, so it makes sense there. But why aren't there any base stations with built-in power supplies? It just adds an additional hassle to buying ...

[Cell tower guys, what is inside of those bunker looking base stations](#)

I worked as a designer of the equipment that went in those prefab buildings. They contain the base station (TX/RX radio gear), the interface to the telephone network, some ...
