What is a portable power distribution unit?

It has been designed according to the North American needs of temporary power distribution systems, especially outdoor atmospheric conditions and safety measures. Portable Power Distribution Units are sized based on current draw and will come with the appropriate circuit protection devices.

Is outbound power a good place to buy a Jackery power station?

Outbound Power is a fully authorized dealer with good prices for Jackery power stations. I purchased a Jackery power station from them at a super low price, which was further discounted due to my veteran status. Shipping was fast and free. Upon receipt, I discovered that the unit had a problem. I contacted Bill at Outbound Power for assistance.

Is Outbound Power a good company?

Outbound Power has a great reputation for customer service and offers a guarantee to be the lowest price. These factors made the purchasing decision easy for me. I am so satisfied with my first system that I have bought a second one because it is just that great.
