Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

Why should you choose a lithium-ion battery for Your Cleaning equipment?

Our custom lithium-ion batteries power a wide range of cleaning equipment, such as floor scrubbers, vacuum cleaners, ride-on sweepers, and pressure washers with superior performance and longer run times than traditional lead-acid batteries. In addition, professional cleaning demands efficient and durable battery solutions.

Do you have a black box in your lithium battery technology?

In the circuit boards, we have our own micro-controller chip that integrates a precise battery gauge, cell balancing and protection circuitry, and system control firmware. We have no black box in our lithium battery technology. Nearly all the BMS found on the market come equipped with simple preset protection parameters.
