

Namibia solar energy system project installation

Overview

Does NEC offer solar energy in Namibia?

Solar energy is a free energy source and will never disappear. Therefore, NEC has been promoting solar energy since the early 1970s and offers solar system in Namibia. NEC Energy for solar water heater systems used in domestic and / or commercial applications as well as solar PV systems to generate electricity for various applications.

What is Namibia's solar energy project?

This project, commissioned in 2014, was a significant milestone in Namibia's solar energy journey. The Omburu solar plant generates clean, renewable energy and contributes to reducing the country's reliance on imported electricity.

Is solar power a good option for Namibia?

Solar power holds immense potential for Namibia. The country enjoys one of the highest levels of solar radiation in the world, with the southern regions of Namibia receiving more than 3,000 hours of sunlight annually. This makes solar energy an ideal solution for addressing Namibia's energy needs. 1. The 5 MW Solar Power Plant at Omburu.

Where will Namibia's 100 MW solar power plant be located?

In 2022, the Namibian government unveiled plans for a 100 MW solar power plant to be located at the Hardap Irrigation Scheme in southern Namibia. The project is part of the country's efforts to significantly increase its renewable energy capacity and reduce its reliance on fossil fuels.

Why should Namibia invest in a mega solar project?

This mega solar project will support Namibia's efforts to enhance its renewable energy infrastructure and is expected to greatly contribute to the country's general electricity supply security and also its sustainability goals.

What is Namibia's first large-scale solar power plant?

1. The 5 MW Solar Power Plant at Omburu One of the first large-scale solar power plants in Namibia is the 5 MW solar power plant located at Omburu, in the Erongo Region. This project, commissioned in 2014, was a significant milestone in Namibia's solar energy journey.
