

New Energy Lithium Battery Station Cabinet Factory

Overview

Who makes battery energy storage system?

NPP New Energy Co., Ltd – the World's Leading Manufacturer of battery energy storage system was established in 2002, with 4 factories in China and 1 overseas factory in Vietnam.

What is a home battery energy storage system?

Home battery energy storage systems can convert solar energy into electricity, ensuring that important appliances and equipment can continue to operate and provide uninterrupted power supply.

How does a battery energy storage system work?

Industrial and commercial battery energy storage systems can automatically switch to storage energy during a power outage without interrupting critical operations; this ensures power supply during power outages.

Why should you choose NPP New Energy for lithium iron phosphate batteries?

NPP New Energy technical team has rich experience technical support for Lithium iron phosphate batteries. From the battery's incoming material, production, shipment, service, and other links are strictly controlled, Custom Lithium iron phosphate battery packs comply with ISO9001, ISO14001, CE standard, and other international certifications.

Who is new energy?

New Energy Ltd is a professional battery pack designer and manufacturer with more than 20 years of experience. We serve the industry in Europe and in the USA making innovative products with technology, enthusiasm and passion. Our core experience is based on years of operations handling Li-Ion battery packs, the core of today mobile energy.

What are NPP lithium batteries used for?

NPP Lithium batteries are commonly used in UPS Backup, Marine, Telecom, Electric vehicles, Golf Cart applications, Outdoor power supply, PV energy storage, etc.

New Energy Lithium Battery Station Cabinet Factory

PSN Energy , Quality Lithium-ion Battery Pack & Testing Equipment Factory

Shenzhen PSN Energy Co., Ltd. is committed to the design and development of lithium ion battery pack, lithium ion battery testing equipment, battery swapping station and other related products.
