

Nordic energy storage equipment announced

Overview

What is the largest energy storage park in the Nordic region?

Romina Pourmokhtari, Sweden's Minister for Climate and Environment, officially inaugurated the largest energy storage park in the Nordic region. The initiative, led by Ingrid Capacity in collaboration with BW ESS, consists of 14 large-scale energy storage systems with a total capacity of 211 MW/211 MWh.

Who is Helios Nordic energy?

Stockholm. 2024.12.18 - Helios Nordic Energy, a leader in utility PV and BESS project development in the Nordics, has successfully completed the sale of a 10MW Battery Energy Storage System (BESS) located outside the city of Södertälje.

Why do we need hydro reservoirs in the Nordic region?

The Nordic region benefits from large hydro reservoirs that provide excellent and cost-effective energy storage options, which are already being efficiently utilised. Meeting growing future flexibility needs with a changing energy mix will require supplementing hydro reservoirs with batteries or hydrogen-based fuels.

How can Helios support the Nordic transition?

"To fully support the country's transition to clean energy and meet climate goals, more batteries are needed. We are committed to support the Nordic transition by develop and deploy more BESS capacity," said Magnus Haggstrom, chief commercial officer at Helios Nordic.

What is the largest underground thermal energy storage in the world?

Vantaa Energy in Finland started the construction of the largest underground thermal energy storage in the world. It will have a volume of 1.1 million m³ and capacity of 90 GWh, approximately 5% of Vantaa's annual DH demand.

Nordic energy storage equipment announced

[Battery Energy Storage System Market Size, Trends & Regional ...](#)

The global battery energy storage system market size was estimated at USD 10.16 billion in 2025 and is anticipated to grow from USD 12.61 billion in 2026 to USD 86.87 billion by 2034, ...

[Recent Storage M& A Transactions and Investment News](#)

Aug 20th: Energy Vault Holdings, Inc. (Energy Vault), a global leader in grid-scale energy storage solutions, and Astor Enerji, a leading global manufacturer of high-quality power transformers ...

Helios Nordic offloads 10-MW battery project in Sweden , Energy Storage

Swedish solar farms and battery storage developer Helios Nordic Energy has finalised the sale of a 10-MW battery energy storage system (BESS) project outside the city of ...

[Nordic Solar Secures Financing for First Battery Storage Project ...](#)

Danish energy company Nordic Solar has announced the successful signing of a credit agreement for its inaugural battery storage

project in Borup, near Hillerød, north of ...
