

North American flywheel energy storage project 100MW

North American flywheel energy storage project 100MW

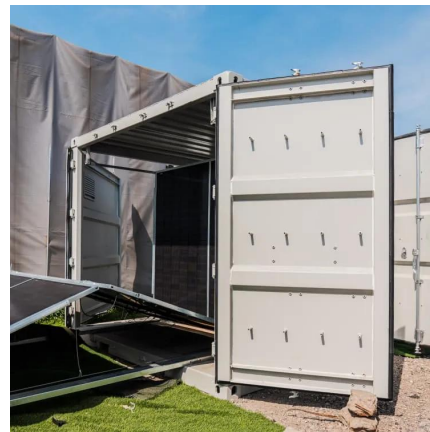

[Advanced Energy Storage Systems , Dumarey Battery & Flywheel](#)

We founded Flybrid Systems in 2007 to increase the efficiency of Formula One cars using flywheel energy storage technology. We realised that the technology could positively impact ...

[Flywheel Systems for Utility Scale Energy Storage](#)

This project was to advance Amber Kinetics' flywheel as a viable energy storage technology for California's investor owned utilities. Several different criteria were addressed including design ...
