

Oman Square Outdoor Power Supply

Overview

Are there electrical outlets in Oman?

No, the electrical outlets in Oman are different from those in the United States. In Oman electrical outlets of type G are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Oman?

The electrical outlets and power plugs in Oman are of type G (see images).

Can I use a power socket in Oman?

All power sockets in Oman provide a standard voltage of 240V with a standard frequency of 50Hz. You can use all your equipment in Oman if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

What type of plug is used in Oman?

In Oman, type G plugs and sockets are the official standard. Like the rest of the Arabian Peninsula, Oman has standardized on the British plug and outlet system. What is the mains voltage in Oman?

Just like the rest of the Middle East, the voltage in Oman is 230 volts and the frequency is 50 Hz. An ungrounded plug with plastic earth pin.

Do I need a power adapter in Oman?

If your devices are compatible with these specifications, you will not need a power adapter. However, if your devices use a different plug type or are not compatible with the voltage in Oman, you will need a power adapter and/or a voltage converter/transformer.

What is the voltage in Oman?

Just like the rest of the Middle East, the voltage in Oman is 230 volts and the frequency is 50 Hz. An ungrounded plug with plastic earth pin. Type G plugs

and sockets started appearing in Britain in 1946 and the standard was first published in 1947.

Do I need a travel adapter in Oman?

The electrical outlets and power plugs in Oman are of type G (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different. Are the electrical outlets and power plugs in Oman different than the ones used in your country?
