

Palestine outdoor portable power supply customization

Overview

Who supplies Palestinian electricity?

The Israel Electric Corporation (IEC) supplies most of the electricity in the Palestinian territories. PETL is the sole buyer of imported electricity for distribution in West Bank Areas A and B and in the Gaza Strip, which in turn supplies the electricity to the six Palestinian distribution companies.

Who makes portable power units?

General Transformer Corporation designs and manufactures custom portable power units to meet remote power requirements. Our engineering team works with you to create step-up or step-down voltage power transformers.

What is a portable power unit?

Our portable power units offer long lifespans, compact and lightweight constructions, a fully sealed enclosure, and many other features. Typically, we use single-phase power transformers within mobile power systems. If you require a different design method, our team is prepared to work with you to meet your specifications.
