

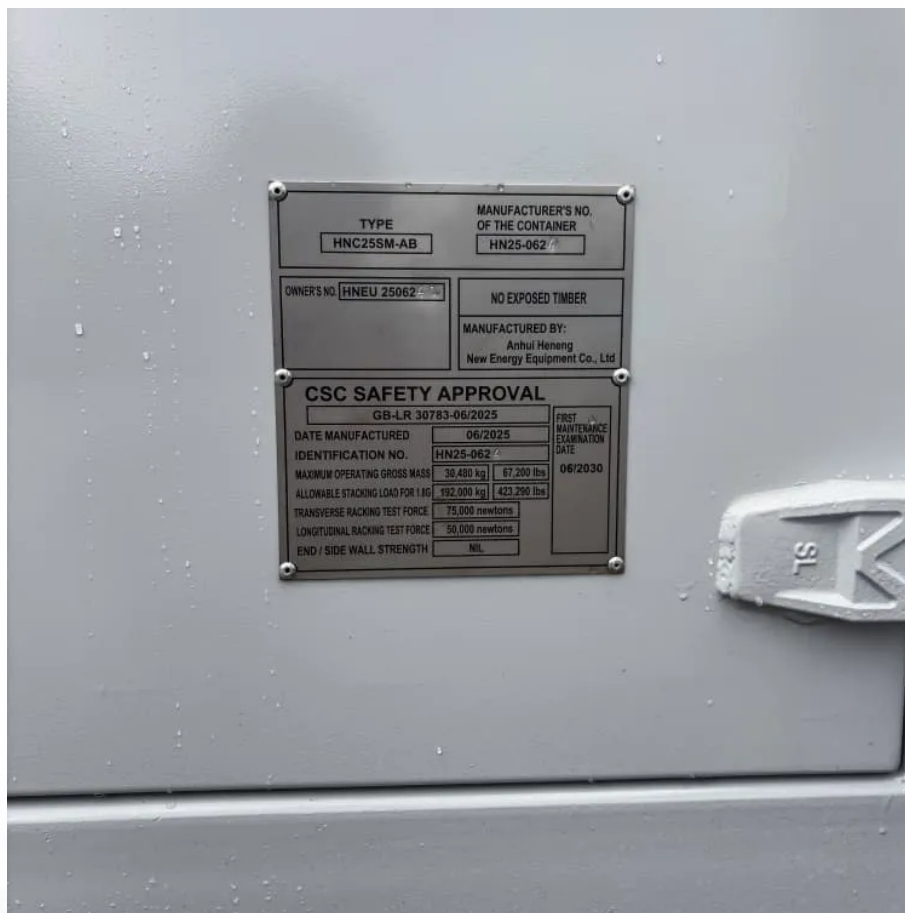

Photovoltaic module production price

Overview

How much does a photovoltaic module cost?

Mainstream Modules: Average price of €0.11/Wp, stable compared to September but 21.4% lower than January 2024. Low-Cost Modules: Average price of €0.065/Wp, a 7.1% decrease from September and 27.8% from January 2024. These trends are exerting mounting pressure on the photovoltaic sector.

How did our solar PV module manufacturing plant's financial model work?

Our solar PV module manufacturing plant's financial model was meticulously modelled to satisfy the client's requirements. It provided a thorough analysis of production costs including capital expenditures, manufacturing processes, raw materials, and operating costs.

How much does a photovoltaic panel cost?

Mainstream Photovoltaic Panels: Average price of €0.10/Wp, down 9.1% month-on-month. Low-Cost Photovoltaic Modules: Average price of €0.060/Wp, a decrease of 7.7% compared to the previous month. These figures underscore the significant pressures in the photovoltaic market, as price reductions strain margins to unprecedented levels.

What are polycrystalline solar photovoltaic (PV) modules?

Polycrystalline solar photovoltaic (PV) modules are a key component of solar energy systems, harnessing sunlight and converting it into electricity through the photovoltaic effect. These modules are composed of multiple interconnected solar cells, each made from polycrystalline silicon.

How are PV production costs modeled?

The costs of materials, equipment, facilities, energy, and labor associated with each step in the production process are individually modeled. Input data for this analysis method are collected through primary interviews with PV

manufacturers and material and equipment suppliers.

What are the raw materials required for solar PV module manufacturing?

Raw Material Required: The primary raw materials utilized in the solar PV module manufacturing plant include solar cells, tempered glass, aluminium frame, encapsulant (EVA), and wiring and junction box. Techno-Commercial Parameter:
