

Polish photovoltaic power station inverter

Overview

Which solar inverters do you offer?

Our carefully selected inverters convert the direct current produced by the solar modules into alternating current. We offer grid inverters from proven manufacturers such as Delta, Fronius, Huawei, Kostal, LG ESS, SMA and Solar Edge.

Where can I buy photovoltaic panels?

The photovoltaic wholesaler Solmix offers the highest quality photovoltaic panels from reliable manufacturers at the lowest prices. In the online store you can order modules by the piece, as well as in pallet quantities. For photovoltaic installers we have also prepared a special container price offer for the purchase of photovoltaic modules.

How many employees does inverter have?

It is a company employing almost 500 employees with a high level of process automation. It is a brand present in 120 countries and the No. 1 brand in the Czech Republic in terms of market coverage and recognition, as well as one of the most frequently chosen inverter brands in Italy and Australia.
