

Slovenia solar panels

Overview

Where do solar panels come from in Slovenia?

There are a few local suppliers and manufacturers of solar power equipment in Slovenia. However, most of the solar panels and components that are used for solar installations in the country are exported from global and online suppliers. There are several ports in Slovenia providing access to commercial, logistics, and trade activity.

Does Slovenia have a solar market?

Slovenia's solar market is experiencing significant growth, with 85 MW of new capacity installed in the first half of 2025, according to PV Magazine. This expansion is driven by the increasing adoption of both residential and commercial and industrial (C&I) solar projects.

How many solar power plants are there in Slovenia?

In 2022, 12,698 solar power plants with a total capacity of 227.6 megawatts (MW) were connected to the grid in Slovenia and 18,034 solar power plants with a total capacity of 411.8 MW in 2023. In total, 49,092 solar power plants with a total capacity of 1,104.5 MW were in the system on 31 December 2023.

Is there a solar power boom in Slovenia?

There is a solar power boom in Slovenia and it mirrors the rapid growth of the renewable energy sector in most parts of Europe. In 2019, there were 2,496 solar PV systems that were installed in Slovenia generating a total solar capacity of 31.2 MW. Majority of these PV systems were for residential installations.

How much solar energy does Slovenia have in 2024?

In 2024, Slovenia installed a record 230 MW of new PV capacity, bringing the total installed capacity to 1.1 GW by the end of the year. This rapid expansion

demonstrates the growing importance of solar energy in Slovenia's energy mix.

Can investors set up solar panels voluntarily in Novak?

Novak hopes that the various incentives offered by the state would be enough for investors to set up solar panels voluntarily. No fines are envisaged, but the investors obligated to set up solar panels who will not follow the new rules will not get a construction permit.
