

Solar panels and HIT

Overview

In today's competitive solar market, you may be wondering whether HIT (Heterojunction with Intrinsic Thin Layer) solar panels are worth the higher price tag. This article explores the efficiency, costs, and long-term benefits of HIT technology.

Solar panels and HIT

[Drone footage shows destruction left by tornado ripping through ...](#)

The footage, shared by North Carolina-based power and gas company Duke Energy, showed the damage left behind in a field of Florida solar panels. In the video, taken Oct. 10 at the Lake ...
