

Tax rate for energy storage power stations

Overview

How will state taxes affect renewable generating companies?

This increase in renewable generating companies will have state tax implications. “States may impose several taxes on renewable generation companies, including income tax, franchise tax, capital stock tax, gross receipts tax, property taxes and sales and use taxes,” Wade and Herzberg wrote.

How has the energy storage industry progressed in 2024 & 2025?

The energy storage industry has continued to progress over the course of 2024 and into 2025, buoyed in significant part by the federal income tax benefits in the form of tax credits enacted under the Inflation Reduction Act of 2022 (IRA).

Are IRA tax benefits a viable option for energy storage facilities?

While the vitality of the IRA tax benefits in their current form is currently subject to uncertainty given the results of the 2024 federal general election, the existing market practice for financing energy storage facilities since the IRA’s passage continues to evolve in reaction to the act’s new requirements and opportunities.

What are the New IRA rules for energy storage?

Energy storage was one of the major beneficiaries of the IRA’s new rules on both the deployment and manufacturing sides. The IRA enacted the long-sought investment tax credit (ITC) under Section 48 and 48E of the Internal Revenue Code (the Code) for standalone energy storage facilities.

Are electricity sales taxable?

The two largest revenue streams from producing electricity through renewable sources are electricity sales and renewable energy certificates (REC). The sale of electricity is typically taxable except in states with exemptions. An

exemption taxpayers should examine is whether electricity is at retail or for resale.

What regulatory guidance has the government released on energy storage?

Of particular importance to the energy storage industry, the government has released final regulatory guidance for the ITC (both Section 48 and 48E of the Code), prevailing wage and apprenticeship (PWA) requirements, and transferability and direct payment, as well as other guidance on the energy community and domestic content tax credit “adders.”
