

Timor-Leste mobile power storage vehicle manufacturer

Overview

How fast does vehicle ownership grow in Timor Leste?

In countries like Timor Leste, vehicle ownership growth rate is expected to be 1.2-1.5 times faster than the GDP. Based on past performance, the GDP (excluding oil) of the Timorese economy is projected to continue growing at about 10% per annum.

Why should Timor-Leste invest in solar & storage infrastructure?

José added: “The investment in Timor-Leste’s solar and storage infrastructure is transformative. It will help reduce dependence on fossil fuels while improving grid stability and energy access across the country”. José de Ponte was supported by special counsel Marnie Calli, senior associate Lisa Huynh and solicitor Jeraldine Mow.

Does Timor-Leste rely on diesel fuel?

Project's partner in DLA Piper’s Finance practice José de Ponte commented: “Timor-Leste has long relied on diesel fuel to power its grid, placing a significant financial burden on the state and end users.
