

# Uganda Power Storage Project

## Overview

---

The 100 MWp solar photovoltaic (PV) power plant integrated with a 250 MWh battery energy storage system (BESS) project will be delivered by U.S.-based Energy America, and its regional subsidiary EA Astrovolt will serve as lead developer and execution partner.

## Uganda Power Storage Project

---

[Another 'first AI factory in Africa'? Uganda is said to have made its](#)

4 hours ago· The project will use surplus electricity from Uganda's Karuma power plant to power a 10MW sovereign AI supercomputer built in collaboration with NVIDIA.

### **US Company to Deliver 100-MWp Solar Project with Battery Storage in Uganda**

Uganda has approved the development of a major utility-scale solar-plus-storage project: a 100-megawatt-peak (MWp) photovoltaic (PV) plant paired with 250 megawatt-hours ...
